Department of Economics

About the Department

The department of Economics has been established in 1990. It is dedicated to provide a comprehensive, relevant curriculum up to second year. It works with the mission to inculcate the knowledge and skills in the field of Economics, to motivate the students to go for higher studies, to empower students for employment and self-employment. The results of the department are really excellent in the last five years.

Objectives of the Department:

1. To impart knowledge of Economics into the aspirants.
2. To introduce new concepts of Economics to the students.
3. Intimate the students with up and down in the Economics world.
4. To prepare students for self-employment.
5. To develop the overall personality.
